

MUTILATED / STAINED NORTHERN / DANSKE BANK NOTES

To be used only when notes are not exchangeable at sight

Applicant's Name (*Mr/Mrs/Miss/Ms*)

Address

Please answer all the following questions

(Where notes are seriously damaged (e.g. by burning) they should be handled as little as possible and carefully packed before transmission to Danske Bank, Cash Services. In such cases the applicant should indicate so far as possible the number of notes involved in the accident and where necessary state that the figures are approximate.

1. How many notes are enclosed?

£1	£5	£10	£20	£50	£100	Total Value

2. What are the index and serial number(s) of the note(s)?

£1	£5	£10	£20	£50	£100

3. How and when was/were the note(s) damaged. A full statement of the occurrence giving date and place place is required. If necessary a separate statement should be attached.

--

4. What has become of the missing portion(s) of the note(s)

--

5. Was the damage witnessed? If so give the name and address of the witness.

--

6. Have you made any previous claim or received payment in respect of any of the notes involved. (If "yes" please give details).

--

7. Give the name and address of a person in your neighbourhood (not a member of your own household who can vouch for your good faith.

--

I request that payment be given for the above mutilated note(s).

I declare that the answers given to questions 1 - 7 above are true to the best of my knowledge.
